FCC FORM 602 - EXHIBIT 1

Bell Atlantic Corporation ("BAC") owns numerous subsidiaries which in turn hold direct or indirect interests in FCC Regulated Businesses as defined by the instructions to FCC Form 602. A list of those Regulated Businesses is attached to this exhibit. BAC is a widely-held corporation. There are no Disclosable Interest Holders of BAC, as defined by the instructions, because no individual or entity holds 10 percent or more of BAC's voting stock.

Re: FCC Form 602: Bell Atlantic Corporation

Dear Sir or Madam:

Bell Atlantic Corporation ("Bell Atlantic") currently has on file with the Commission an FCC Form 602, "FCC Ownership Disclosure Information for the Wireless Telecommunications Services." The Form 602 was filed in August 1999, in connection with applications which were submitted on FCC Form 603 for consent to the transfer of control from Frontier Corporation to Bell Atlantic of various entities holding radio station licenses. The information in that Form 602 remains correct.

Applications on FCC Form 603 are being submitted today for consent to the transfer of control of various other entities which hold radio licenses from Vodafone AirTouch Plc ("Vodafone") to Bell Atlantic. Those applications include entities that are currently controlled by BCP CommNet, L.P., and that are being transferred to Vodafone pursuant to a separate transfer of control transaction. As part of that other transaction, Vodafone (as transferee) filed an FCC Form 602 in August 1999 identifying the licensees controlled by it and by CommNet. The new transaction between Bell Atlantic and Vodafone for which applications are being filed today covers all Vodafone and CommNet licensees, as explained in the exhibits attached to those applications.

At this time, the precise percentage ownership interest which Bell Atlantic as transferee will hold in each Vodafone and CommNet licensee cannot be identified, because the transaction contemplates the possibility of alternative percentage interests depending on when these and other transactions are closed. In addition, certain licenses may be divested in order to comply with regulatory requirements, as further explained in the exhibits to the applications.

- 2 -

Given these circumstances, Bell Atlantic is refiling its own Form 602 regarding the Frontier transaction with the Form 602 for Vodafone, which reflects Vodafone's and CommNet's ownership interests in entities holding Commission radio licenses. Bell Atlantic will update this information upon the consummation of any of the transactions referenced herein which affect Bell Atlantic's ownership interests. The Commission will thus be fully informed as to any changes in Bell Atlantic's ownership interests in entities holding Commission licenses.

Should you need additional information, please contact the undersigned.

Very truly yours,
